CLOSE OF FIRST SCHOOL SEMESTER

Enrollment At Both Normal and High School on the Increase

With the start of the new semester's work but two weeks off, students of both the high school and the normal are as busy as busy can be. In speaking of prospects for the new term President Matthews of the normal said that yesterday during the course of the one day alone he registered six new students to take up the work on the 24th and Superintendent J. O. Miller of the high school says that he looks for a gain in registration there too.

Through the next two weeks in this semester the students will be busy with their reviews and preparations for examinations which fall due for the major part, through next week.

The normal has taken in a number of new students since the holidays and with the new ones that will register between now and the opening of the second semester the enrollment will overreach four hundred. Several have also entered the high school since the holidays.

HOW MOEUR ACCIDENT OCCURRED

John Moeur was resting easily yesterday after his removal to Tempe on Sunday from Tucson where he was injured by the accidental discharge of a shot gun while hunting. Saturday morning he had gone out hunting. He sat down to rest and in a hasty attempt to secure his gun from his resting place nearby the trigger was touched by a twig from a bush and the gun discharged. The lead inflicted a mean wound in the shoulder, the flesh was badly torn but fortunately the joint was not molested and no bones were disturbed.

After a walk of three or four hundred yards the young man secured aid and he was rushed to town where the wound was dressed. Dr. B. B. Moeur, the boy's father, does not look for any further trouble with the injury, and unless some unforeseen complications set in an early recovery is anticipated.

LOST Between Harry Lukin store and Pacific Creamery Plant, about Jan. 8, bill book containing about \$400.00, seven \$50.00 bills and balance in cash. A reward will be paid for any information leading to the location of the currency. N. L. Blackburn, 1/2 mile south of Creamery, Tempe.

TWO FEATURES TONIGHT
A double show for the one price of admission is the offering at the Goodwin opera house for tonight, and with "Under Two Flags," taken from the celebrated novel by Ouida, and a four part Charlie Chaplin comedy, "The Mixup," as the feature attraction a bill of interest and amusement is promised. The drama photoplay, "Under Two Flags," is one full of love, adventure and romance and includes all the thrills of the pictures of today. In addition to these two feature pictures an Essanay comedy, "The Bell Hop," will be run.

A WEEK OF WEATHER
The thermograph at the entomological laboratory recorded the following figures of maximum and minimum weather temperatures for the week ending on Sunday:

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and luster, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and luster and gives it an appearance of abundance. —Advertisement.

the revival services are now in progress at the Baptist church. Rev. Northrup of the Glendale church is conducting the revival and decided interest in the meetings was shown on Sunday and yesterday. Services will continue through the week, being held each afternoon and evening.

FOR MEXICANS ONLY
The Baraceros troupe of actors and actresses has held away with the Spanish element of the town during the last three evenings with their program in the tent on the ball park grounds. The company also carries a band and a daily entertainment on the street each afternoon and evening has been a feature of their stay here.

CURRENCY LOST
N. L. Blackburn who lives just south of the creamery on R. F. D. No. 2, reported to the officers yesterday the loss of a bill book containing about four hundred dollars. He last remembered having the money at the Lukin store on Friday night and it was not until Sunday that he missed it. It is his presumption that he lost it on the way home that night and that it was probably picked up. \$350.00 of the money was in fifty dollar bills and the balance in ten dollar bills. Mr. Blackburn is anxious to recover his loss and is offering a liberal reward for any information to its location.

TRAINING SCHOOL OPENED
After a vacation lasting since the commencement of the Christmas holidays the normal training school resumed work yesterday. The new heating plant was the cause for delay during the past week is working satisfactory in every way.

BOARD MEETING
The normal school board will hold its annual monthly business meeting at the president's office on the campus this afternoon.

PREPARE FOR MEETING
When that great team of evangelists, Price and Guice, arrive in Tempe on the twenty-fifth, they will find a prepared people awaiting them, if the plans outlined by the Tempe pastors yesterday morning are carried out. Not only does the plan include the widest possible publicity, but the preparation of the people by a general theme of discussion from the respective pulpits and prayer meeting and union services will be undertaken. On Sunday morning next every pastor will talk on "What of Sunday," and on the morning of the 23rd they will each discuss the theme of personal work. On the evenings of the 23rd and the 24th there will be union prayer services and Rev. C. N. Hand will lead the first with Rev. J. R. Roundtree, as leader of the second service.

NOTICE TO BIDDERS
Sealed proposals will be received until 10 o'clock a. m., Monday, January 17, at the office of the city manager of the city of Phoenix, in the city hall at Phoenix, Arizona, for one gas driven traction engine, Caterpillar type, equal to the Holt two-speed Caterpillar, type 30, equipped with canopy top and stationary attachment. Payment will be deferred until July 15, 1916. Each bid must be accompanied by a certified check for ten per cent of the amount of the bid, made payable to the City of Phoenix. The right is reserved to reject any or all bids or to waive any formalities in any proposal.

LUDWIG CROSS FOR SOCIALISTS
[Republican A. P. Leased Wire]

BERLIN, Jan. 10.—(By wire) to Sarville.—"Several socialists were recently awarded the Ludwig Cross by King Ludwig of Bavaria for specially meritorious services performed in the hour of their country's need," says the Overseas News Agency. "The socialists fully recognized the friendly spirit which prompted the king's act, and thanked him cordially for the distinction, but declined the decoration because they considered acceptance of it incompatible with the principles of their party."

GILBERT POSTOFFICE AND STORE BURNED

Early Morning Fire Completely Destroys Store and Dwelling

An early morning fire yesterday at Gilbert destroyed the building wherein was located the postoffice and the store of Mr. Spindle. His family also occupied several rooms which had been partitioned off from the store.

The family was not up when the crew of an incoming freight saw the fire and gave the alarm. The stock of goods and family furniture and household effects were a total loss. The books and mail matter were saved.

Mr. Spindle had bargained with Mr. McMain of Phoenix for the sale of the stock and fixtures and possession was to have been given yesterday. Mr. McMain arrived to find the stock and fixtures destroyed.

The origin of the fire is unknown, but is supposed to have been spontaneous combustion in the sawdust of a small ice house located immediately in the rear of the main building.

CLUB BANQUET TONIGHT
Members of the Mesa Commercial Club are entertained at a very beneficial as well as enjoyable evening at the banquet which will be given by the domestic science class of the high school, beginning at 8:30. C. M. Scott, division superintendent of the Arizona Eastern, and other railroad officials have been invited. Mr. P. C. Gettings of the Mountain States Telephone company, will be present and it is expected that these gentlemen will have something worth hearing to say, as they discuss their various interests as connected with the growth of Mesa. Mr. Frank Sanborn will talk on dairying in the Mesa country, and other local men will be heard. The secretary is preparing a budget of estimated expenses so that the club may know what is done with money received. The supper is not exclusive, as all men interested in the development of the community are urged to be present. Price of the supper is fifty cents. Parties not having purchased tickets may pay when the tickets are collected this evening.

MESA DUCKS IN THE SWIM
Edgar M. LeBaron is wearing a smile, having just received word that the six Rouen ducks entered by him in the Los Angeles poultry show had won two firsts, two seconds and two third prizes. The LeBaron ducks won first prize also at the San Francisco exposition, where there was the largest number of this class of fowls ever shown on the coast.

EASTERN STAR DANCE
The Eastern Star dance which was postponed from New Year's eve will be given in the Masonic hall tonight.

A REAL VENUS AT MAJESTIC
"The American Venus." Such is the title conferred upon Miss Audrey Munson, the heroine of "Inspiration," a five-act Mutual masterpiece which is to be the special feature offering at the Majestic tonight, by artists and sculptors throughout the world.

Miss Munson, it is said, boasts one of the most perfect forms of any of her sex in this country and possibly in Europe. Numerous artists for whom she has posed have made diligent efforts to find an equal of Miss Munson, but have failed. "Inspiration" is not only based on the rise to fame and fortune of Miss Munson, but presents her in the leading role.

MESA BOWLING CONTEST
It was the Mesa second team vs. a Phoenix second team Sunday afternoon. The concluding game of a best two out of three. Phoenix had nothing to be ashamed of in their showing at the St. Elmo parlors, but Mesa just went them one better, winning a hard fought battle by fifteen pins. This evening the first and second teams of Mesa will play their second game. The first game a few days ago resulted in a tie.

VISITOR FROM WYOMING
Mrs. Clara Snell of Raymond, Wyoming, arrived here yesterday on a visit to her aunt, Mrs. Frank Pomeroy. Mrs. Snell stopped for a few days in Colorado, where she found plenty of snow. The pleasant mornings at which southern Arizona shivers seem very mild to her after the cold weather the north has been having.

TO RAY ON BUSINESS
N. B. Drew and T. J. Prosser went to Ray and Superior on business Sunday, returning last evening.

A DAINTY LITTLE MAIDEN
Mr. and Mrs. Frank Ellsworth, with the little girl baby who came into their home yesterday, constitute a very happy family.

WILL PUT IN PUMPING PLANT
Dr. Wiley of Phoenix is preparing for the irrigation of forty acres of his land near Reevesville, on the desert about ten miles east. Pernal Barnett of the same locality has the contract for the work, and left for Los Angeles yesterday to secure the pump. He also is to do the grading of the land and prepare it for early planting. Mr. Barnett, on his last trip, left his motorcycle in California. He will ride it on his homeward journey.

Amusements Today

REDMOND COMPANY PLEASES BIG CROWD

Embellished with superb scenery, and finely acted, the first night's performance of "Bought and Paid For," put on by the Ed Redmond company at the Elks, was undoubtedly the hit of the present season. The crowd at times went wild over the humor injected by Roscoe Karns, who very capably took the part of James Gilley. Maurice Penfold, as Oki the Jap, presented one of the best characterizations of this type that has ever been seen on a local stage.

Eleanor Blevins, though she was cast for a difficult part, carried it very capably, and added many stars to her all ready over full crown.

Probably the major portion of the applause was garnered by Hugh Metcalfe. He was so to speak, out of his leen, in the role of leading man, but he carried it manfully. Behind Miss Higley and Miss Hammond were fully up to their parts, and came in for their share of popular favor.

ARIZONA SHOWING
MISS DOROTHY GISH

Miss Dorothy Gish, who will take the role of Prince Karl's sweetheart in the "Old Heidelberg" film adaptation at the Arizona tonight only is one of the most charming and clever members of the D. W. Griffith-Triangle studio.

She was born in Dayton, Ohio, March 11, 1898, and is thus a year and a half younger than her sister, Lillian Gish, the famous Elsie Stoneman of "The Birth of a Nation." Dorothy made her debut when only four years old, playing "Little Willie" in the classic "East Lynne." Curiously enough, the girls

HIGLEY SCHOOL PUMP READY
W. N. Beyerle of the Beyerle Machine Shops went to Higley yesterday to try out the pumping plant for which he had the contract at the Higley school. The test was satisfactory and the pump was accepted by the school authorities. About forty-five gallons to the minute will be raised. The water, in addition to school and domestic purposes, will be used to irrigate a two-acre park, furnishing shade trees for the school grounds.

Chandler News Notes

EXHIBITION COTTON FARM FOR CHANDLER
To further the interests of one of the leading farming industries of the Valley, Chandler is to have a model cotton farm, which will be operated under the auspices of the state agricultural department, and under the personal supervision of E. W. Hudson, who for a number of years has done experimental work in raising cotton and other crops at Sacaton, under the U. S. department of agriculture. Mr. Hudson is probably the best informed and most scientific grower of cotton in the southwest, and the Chandler experimental cotton farm will be of inestimable benefit to the growers of this vicinity. The farm will be located just south of the town on a tract donated by the Chandler Improvement Company. Similar tracts will be planted under Mr. Hudson's care in the vicinity of Mesa and Tempe.

SCHOOL ENTERTAINMENT
The third number of the Lyceum series of entertainments, which will be given in Monroe Hall on next Friday evening, January 14th, bids fair to be the most interesting to the people of Chandler. It will be for the most part, the product of the members of the High school and Grammar school. In addition to the local performers, Mrs. Shirley Christy, director of the Arizona School of Music at Phoenix, has loaned for the occasion, Mr. Ivar Skougard, basso, and Mr. Frank Lloyd Stuchal, violinist, who will each contribute three numbers to the program. They will be accompanied by Miss Daisy Notley.

Mrs. Stafford, teacher of the Tyler school, was a Sunday visitor in Chandler.

Mr. Jack Payne, of Young, Arizona, has leased the D. F. Russell ranch north of Chandler, and has also taken over the mail route run by Mr. Russell, between Chandler and Hansen Junction.

Messrs. Bradley and Kite, of Mesa, have leased fifty acres of land from Mr. Hoffmaster and will start a dairy ranch. They will make a specialty of raising poultry.

The play, "A Bachelor's Comedy," given by the L. D. S. in their hall, last Friday evening, was a decided success, each member of the cast giving a good rendition of his part. The society realized about \$40.00.

CHRISTIAN SCIENTISTS TO BUILD
The Christian Scientist congregation, which has been holding services for the past two years in Monroe Hall, has decided to have a house of worship of its own. The building will be of the bungalow type and will be erected on the corner of Cleveland and Colorado streets.

W. P. Pleasant has the contract and started work on Monday with the expectation of having the church ready by the end of February. This makes Chandler's fourth church building.

Hire a little salesman at The Republican office. A want Ad will see more customers than you can.

introduction to Director Griffith came through Mary Pickford. He was then in charge of the Biograph studio and both Dorothy and Lillian went to work for him. The Keystone comedy, a Senett production, entitled "Fickle Fatty's Fall," with Roscoe Arbuckle in the lead, promises to be one continual round of laughter.

TABLES TURNED AT EMPRESS THEATER

Emmy Wehlen, the talented and dainty stage star, whose success in stellas roles in "The Merry Widow," "The Dollar Princess," and other big musical comedy productions, has won her hosts of admirers both in London and New York, will appear here at the Empress on Tuesday and Wednesday in the five part photo-drama, "Tables Turned," produced by the Rolfe Photo Plays, Inc., for release on the Metro program.

The story of the photoplay is unusually strong and affords Miss Wehlen an excellent opportunity to display her remarkable versatility. This will be Miss Wehlen's second appearance on the screen under Metro auspices, having made her bow in another Rolfe-Metro production, "When a Woman Loves," in "Tables Turned." Miss Wehlen will have the support of a strong cast including H. Cooper Cliffe, Leslie Austin, Walter Hitchcock, Edgar L. Davenport and Jeannette Horton.

Hearts of Men at Lion Today
The cleverest child actors seen in Phoenix take part in the five-act drama, "Hearts of Men," by Chas. K. Harris, which is the attraction at the Lion theater for the last time today.

The joys and jealousies, little love affairs and pranks that happen in the life of every child at school are shown in this picture, which has been adapted for the screen from the drama, "School Bells," which was a decided success on the legitimate stage. Beniah Poynter and Arthur Donaldson have the leading roles, but honors fall to the child actors, Master Frank Longacre and Ethelmary Oakland, who is so pretty that she looks like a dressed-up doll.

See "Hearts of Men" today for it is shown for the last time.

Tomorrow Muriel Ostriche will be seen in "A Daughter of the Sea," an Entente feature of merit.

Splendid Dramatic Program at Amuzu
"The Maker of Dreams" is the way the maker of films has styled the splendid dramatic three reel Vitagraph that is to be shown as the big thing of a five-reel program today at the Amuzu.

If there is anything in a name "The Maker of Dreams" has little to go on, but if the patron is looking for picture entertainment done with only the care

and pains the Vitagraph people know how to put into their productions he will find in this strong tale of love and intrigue and human passions a splendid value. With it will be shown Cate and his crowd in a fine example of the way comedy is made.

Tomorrow the screen at the Amuzu will hold a local product when Romaine Fielding, Winnie Burns (now June Daryl), Audelle Higgins, Roscoe Karns and many others appear. It is called "Species of Mexican Man."

The last showing of the quite exceptional Fox picture, "Her Mother's Secret," will be made at the Lamara theater today. The story of the picture deals with another of those sex problems that have agitated the public so

much of late years. It is all a question—"What would you do?" "What do you think is right?" The punishment of a father was visited upon the heads of two unfortunate children of fate.

Coliseum
The house was packed last night to see that funny team, Shamus & Dunbar in "The Belle of Arcadia." Anna Worland with a troupe of thirty trained birds is also on the bill. She has birds from all parts of the world and each bird acts. See Little Betty, the youngest child bird trainer in the world. A delightful act for old and young. This act has played all the large vaudeville houses in the country, Ophemus and all. So don't fail seeing it in conjunction with "The Belle of Arcadia."
